Opgave 1

$$\begin{array}{c} \text{stack of blocks} \end{array} - \begin{array}{c} \text{airplane} \end{array} + \begin{array}{c} \text{girl} \end{array} = 9$$

$$\begin{array}{c} \text{stack of blocks} \end{array} + \begin{array}{c} \text{girl} \end{array} = 13$$

$$\begin{array}{c} \text{girl} \end{array} + 11 = 17$$

$$\begin{array}{c} \text{airplane} \end{array} = \square \quad \begin{array}{c} \text{stack of blocks} \end{array} = \square \quad \begin{array}{c} \text{girl} \end{array} = \square$$
