Opgave 1

$$\text{acorn} + \text{basket of apples} - \text{sheaf of wheat} = 9$$

$$\text{sheaf of wheat} + \text{basket of apples} = 11$$

$$\text{basket of apples} + 2 + 4 = 14$$

$$\text{acorn} = \square \quad \text{sheaf of wheat} = \square \quad \text{basket of apples} = \square$$
