

Tell fem og fem fram til regnbuen

Navn: _____ Dato: _____

 Hjelp luftballongen fram til regnbuen. Tell fem og fem fra sky til sky, helt til 100.

The maze is set against a light blue sky background with small white clouds. At the bottom center, a hot air balloon with red, yellow, and blue stripes is positioned next to a seagull. A green circle with a white arrow points upwards from the balloon. The path of the maze is a continuous line of white circles, each containing a number. The numbers are: 5, 10, 15, 20, 25, 30, 35, 40, 45, 50, 55, 60, 65, 70, 75, 80, 85, 90, 95, and 100. The path starts at the hot air balloon and winds through the maze to a rainbow at the top right. A red paper airplane is shown flying towards the rainbow. A sun with a face is at the bottom right.
