

Matematikkoppgave

Tell, legg sammen og trekk fra for å løse morsomme oppgaver!

Oppgave 1

$$\text{Man reading} + \text{Vet with dog} + \text{Woman at laptop} = 24$$

$$\text{Vet with dog} + \text{Man reading} = 17$$

$$\text{Vet with dog} + \text{Vet with dog} + 3 = 21$$

$$\text{Man reading} = \square \quad \text{Woman at laptop} = \square \quad \text{Vet with dog} = \square$$
