★ Sett ring rundt hvert bilde på VENSTRE side av streken.

The worksheet features a large light-yellow rectangular area with rounded corners, divided by a vertical dashed orange line. On the left side of the line, there are three illustrations: a penguin, a dog, and a camel. On the right side, there are also three illustrations: a dog, a penguin, and a camel. The instructions at the top ask the student to circle each image on the left side of the dashed line.
