The image shows a large light yellow rounded rectangle. Inside it is a smaller light blue rounded rectangle. The blue rectangle contains four objects: a king chess piece on the left, a queen chess piece in the center, a shovel on the right, and a red die at the bottom right. Outside the blue rectangle, there are four objects: a king chess piece on the left, a queen chess piece on the left, a rocket in the top right, and another rocket in the bottom center.
