

Some e subtraia no caminho até o pacote

Nome: _____ Data: _____

Comece com o número da empilhadeira e escreva o novo número em cada quadradinho. Ache o caminho que termina no número do pacote.

The maze game board consists of a path of yellow squares. Each square contains a math problem and a dashed box for the answer. The path starts at a forklift icon with the number 50 and ends at a package icon with the number 41. The path is a continuous line of yellow squares. The background is a light gray with some small icons like a ship, a seagull, and a shovel.

Math problems on the path (starting from the forklift and following the path):
