

Some e subtraia no caminho até a fogueira – Respostas

Nome: _____ Data: _____

★ Comece com o número do trailer e escreva o novo número em cada quadradinho. Ache o caminho que termina no número da fogueira.

The maze consists of a path of yellow and orange lines. The path starts at a yellow and red trailer on the left. A green circle with the number 27 is next to the trailer. The path leads through several boxes, each containing an operation (+ or -) and a number. The path ends at a campfire on the right. A red circle with the number 7 is next to the campfire. The path starts at the trailer, goes up to a box with +1 and 28, then to a box with -10 and 18, then to a box with -10 and 8, then to a box with +1 and an empty box, then to a box with -1 and 7, then to a box with +1 and an empty box, then to a box with +10 and an empty box, then to a box with -10 and an empty box, then to a box with -10 and 17, then to a box with +10 and an empty box, then to a box with -10 and an empty box, and finally to the campfire. There are also some decorative elements like a canoe, a tent, a deer, and a log.
