

Leve ao guindaste o número dele

Nome: _____ Data: _____

 Comece com o número do caminhão e escreva o novo número no quadradinho de cada placa. Ache o caminho que termina no número do guindaste.

The maze game board features a path of numbered boxes. The path starts at a truck with the number 54 and ends at a crane with the number 46. The path consists of boxes with numbers and empty boxes for calculation. The numbers in the boxes are: +1, -10, +5, -2, -10, -2, +10, -2, -1, -1, -2, +1, -1, -2, +10, +10, -5, -1, -2, -1. The path is marked by a dashed line.
