

Números ordinais: encontre o lugar

Nome: _____ Data: _____

Comece na bandeira. Conte até o número de cada cartão e faça a marca que ele mostra.

Activity 1: A horizontal line with a red flag at the start and an arrow at the end. Below the line are five boxes, each containing a tool and a dot below it. The tools are: a yellow bolt, a pair of pliers, a screwdriver, a flashlight, and a hand saw. Below the boxes are two ovals: the first contains '4º' and a red 'X' (indicating incorrect), and the second contains '5º' and a green circle (indicating correct).

Activity 2: A horizontal line with a red flag at the start and an arrow at the end. Below the line are five boxes, each containing a tool and a dot below it. The tools are: a yellow bolt, a hand saw, a plunger, a flashlight, and a pair of pliers. Below the boxes are two ovals: the first contains '1º' and a red 'X' (indicating incorrect), and the second contains '2º' and a green circle (indicating correct).

Activity 3: A horizontal line with a red flag at the start and an arrow at the end. Below the line are five boxes, each containing a tool and a dot below it. The tools are: a yellow bolt, a nail, a pair of pliers, a ladder, and a hammer. Below the boxes are two ovals: the first contains '1º' and a red 'X' (indicating incorrect), and the second contains '2º' and a green circle (indicating correct).
