

# Pirâmide com tijolo escondido

Nome: \_\_\_\_\_ Data: \_\_\_\_\_

★ Um tijolo da base sumiu: descubra com o andar de cima.

1

Diagram 1: A pyramid structure with 4 tiles in the base. The base tiles are: [dashed], [1], [2], [4]. The second row has 3 tiles: [4], [dashed], [dashed]. The third row has 2 tiles: [dashed], [dashed]. The top row has 1 tile: [dashed].

2

Diagram 2: A pyramid structure with 4 tiles in the base. The base tiles are: [4], [2], [2], [dashed]. The second row has 3 tiles: [dashed], [dashed], [5]. The third row has 2 tiles: [dashed], [dashed]. The top row has 1 tile: [dashed].

3

Diagram 3: A pyramid structure with 4 tiles in the base. The base tiles are: [2], [dashed], [1], [3]. The second row has 3 tiles: [dashed], [5], [dashed]. The third row has 2 tiles: [dashed], [dashed]. The top row has 1 tile: [dashed].

4

Diagram 4: A pyramid structure with 4 tiles in the base. The base tiles are: [1], [1], [dashed], [1]. The second row has 3 tiles: [dashed], [dashed], [4]. The third row has 2 tiles: [dashed], [dashed]. The top row has 1 tile: [dashed].
