

Quebra-Cabeças Matemáticos

Resolva os quebra-cabeças das imagens!

A 3x3 grid of math problems. A light pink heart shape is overlaid on the grid, centered in the top two rows and extending into the bottom row. The heart's top edge is at the top of the grid, and its bottom point is at the bottom of the middle cell. The heart's left and right edges are at the left and right boundaries of the grid. The heart is semi-transparent, allowing the math problems to be seen through it.

$12 - 3 = 9$	$15 - 8 = 7$	$20 - 14 = 6$
$6 - 1 = 5$	$9 - 1 = 8$	$7 - 3 = 4$
$5 - 2 = 3$	$17 - 7 = 10$	$4 - 2 = 2$
