

Ordningstal: hitta platsen i raden – Facit

Namn: _____ Datum: _____

Börja vid flaggan. Räkna fram till talet på varje bricka och gör det märke som brickan visar.

Row 1: A sequence of five food items in boxes, starting from a flag on the left. The items are: a donut, a glass of orange juice, a croissant, a strawberry, and a banana. The boxes are numbered 1 to 5. The strawberry box is highlighted with a red border and labeled '4:e'.

Below the row, two buttons are shown: '2:a' with an empty square icon, and '4:e' with a crossed-out square icon.

Row 2: A sequence of five food items in boxes, starting from a flag on the left. The items are: a bowl of cereal, a strawberry, a bowl of cereal with a spoon, a donut, and another donut. The boxes are numbered 1 to 5. The first bowl of cereal box is highlighted with a red border and labeled '1:a'. The third bowl of cereal box is highlighted with a red border and labeled '3:e'.

Below the row, two buttons are shown: '1:a' with a crossed-out square icon, and '3:e' with an empty square icon.

Row 3: A sequence of five food items in boxes, starting from a flag on the left. The items are: a slice of cheese, a croissant, a piece of bacon, a jar of jam, and a bowl of cereal. The boxes are numbered 1 to 5. The slice of cheese box is highlighted with a red border and labeled '1:a'. The bowl of cereal box is highlighted with a red border and labeled '5:e'.

Below the row, two buttons are shown: '1:a' with a crossed-out square icon, and '5:e' with an empty square icon.
